DataRay Scanning Slit Beam Profilers

- Designed For Use From 190 to 1150nm
- Measure Beam Diameters of 2 μ m to 4mm
- Robust Easy to Use Software Provided

Technical Information

Products

| Title | Stock Number | Price | Buy |
|---------------------------------------|-------------------------|-----------|------------|
| BeamR2-Si Scanning Slit Beam Profiler | #24-215 | £4,352.00 | 1 In Stock |
