Product Details

- Available in Steel and Ceramic Block Sets
- Rectangular Base for Accurate Wringing
- Includes Inspection Certificate

Mitutoyo Gauge Block Sets are highly accurate calibration tools for manufacturing quality control on thin dimensional parts and manufacturing traceability on standard-sized pieces. Available in different grades, sizes, and steps, these gauge blocks feature exceptional flatness and surface roughness. These gauge blocks are made from high-quality, temperature-stable steel or ceramic providing increased durability and resistance to wear. Mitutoyo Gauge Block Sets are ideal for a range of measurement and calibration applications such as cutting tool positioning, inspection of depth micrometers, and angle measurement with a sign bar.
