Product Details

- Empty Barrels are Available in Clear, Amber, and Opaque Versions
- Tips are Available in Plastic and Steel
- **Dispensing Guns** and **Pre-Loaded Norland Adhesive Barrels** are Also Available

Dispenser barrels, tips, and other accessories are available for use with dispensing guns and hand plungers. Dispenser Barrels are available in a clear version for normal fluids, an amber version for UV-curing fluids, and an opaque version for light sensitive fluids. Dispenser tips are available in plastic and steel to ensure varying levels of controllable deposits without leakage.

Note: Barrels, tips, and adhesive are sold separately from **dispensers**. **Pre-loaded Norland adhesive barrels** are also available.
